TOTAL PROGRAM CREDIT HOURS	122[†]

* NR-435 is required for students residing in Tennessee enrolled prior to July 2018, students residing in Washington, and students residing in California or Minnesota seeking to obtain a certificate in public health nursing from the CA or MN Board of Nursing. Effective July 2018, students residing in the state of Tennessee must take NR-436 to fulfill this requirement. This course must be taken during the last semester of the program. If a non-Washington resident takes NR-443 and later moves to Washington, they will be required to complete NR-435 before graduating.

† 123 credit hours (GE=21, NR=25, CCAP=77) for students residing in the state of Tennessee enrolled prior to July 2018, students residing in Washington, and students residing in California or Minnesota seeking to obtain a certificate in public health nursing from the CA or MN Board of Nursing.

NOTE: Students residing in Washington will need to select the NR-447 RN Collaborative Healthcare course with the “M” suffix designator (i.e., NR-447M).

NOTE: The General Education coursework grading scale applies to courses with an “N” suffix designator. NOTE: For the full list of General Education Core courses, please visit chamberlain.edu/catalog.

NOTE: In order to satisfy graduation requirements, elective courses may be added to the individual’s plan of study. Contact your student support advisor for more information.

Program/program option availability varies by state/location. Chamberlain reserves the right to update information as it becomes available. Information is current at the time of publication
