

MyYCCC Student Portal: A Guide

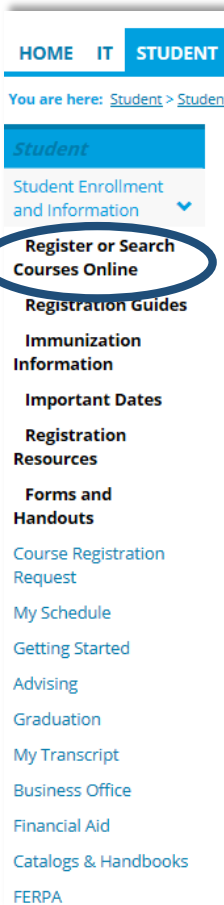

Once accepted to a YCCC certificate/degree program, students will access their information through their student portal (a.k.a. “MyYCCC”).

You’ll see various tabs across the top. Most information on the MyYCCC portal is available to the public and doesn’t require a login. However, to access your *personal information* (such as course schedule, bill, financial aid awards, unofficial transcript, and advisor information etc.) you will need to login. This is also where you will go to **register for your courses each semester!**

Log in using the same credentials you used to setup your student email account!

Once logged in, you will want to click on the **STUDENT** tab.

My Schedule: View and print your schedule. The schedule will show a list of the courses, where they are located, and the instructor for each course.

Getting Started: Information on logging in to your online accounts, and student resources available to you.

Advising: Locate your assigned advisors here. It is important to meet with your Success Coach, as well as know who your faculty advisor is.

Graduation: For all things graduation, including the Commencement ceremony.

My Transcript: View all of the transfer credits that were applied to your account, as well as all YCCC grades as well as courses in progress. You can download/print a pdf copy for personal use such as providing to scholarship committees, insurance companies, etc.

Business Office: View your bill and make payments to your account.

Financial Aid: View financial aid package and track financial aid documents.

Catalogs & Handbooks: Now that you are a student, it is important to familiarize yourself with the college policies. You can also view program outlines, course descriptions etc., Be sure to follow the catalog year that you were accepted under!

FERPA: *Family Education Rights & Privacy Act* – Information on the privacy of your records and granting access to others.
