#### Career Opportunities

The Architectural Drafting & Design Certificate prepares students for employment in the design/building industry. Courses provide graduates with enhanced skills and knowledge for careers as Architectural CAD Design/Drafters. Potential fields of employment include kitchen and bath design, sign making, independent building contractors, architectural firms, and woodworking industries.

Certificate programs at YCCC are designed to lead to either employment and/or college transfer, and we want to provide prospective students with gainful employment disclosure information prior to admission/enrollment in those programs.
