Federal CARES Act Grant

YCCC is partnering with the U.S. Department of Education to distribute Coronavirus Aid, Relief, and Economic Security (CARES) Act funding to students in financial need due to unexpected expenses related to disruption of campus operations due to coronavirus, including food, housing, course materials, technology (including computer and internet access), health care, and child care.

DEFINITION OF CAMPUS DISRUPTION: YCCC was forced to close its doors because of the coronavirus, and as a result, students who were attending Spring 2020 classes. These funds are intended to assist this population, as well as students planning on attending Summer 2020 classes.

WHO QUALIFIES FOR THIS GRANT FUNDING?:

For **degree/certificate seeking students** who experience **unexpected expenses related to disruption of campus operations** defined above due to coronavirus include:

Priority consideration will be given to students who are attending Spring 2020 classes, or Students who enroll and attend Summer 2020 classes. This cohort of students will receive second priority.

These funds are limited and will be awarded on a first-come, first-serve basis. Other funding may become available for the 2020-21 awarding cycle that starts in the Fall 2020.

As we want to make these limited funds available to as many students as possible, students who previously received other emergency funds through the college may be considered lastly.

WHO IS NOT ELIGIBLE FOR THIS GRANT FUNDING?

Non degree/certificate students

DO I HAVE TO DO ANYTHING ELSE?:

Spring and Summer students must demonstrate eligibility to participate in federal financial aid programs, and IF YOU HAVE NOT DONE SO, one way to do that is to **complete the Free Application for Federal Student Aid (FAFSA):** www.fafsa.gov .

HOW & WHEN WILL PAYMENTS BECOME AVAILABLE?:

Once a committee has determined the awardees and amounts of each award, checks will be mailed by our Business Office in early May, and directly to the student's primary address that YCCC has on file.

APPLICATION PROCESS & PRIORITY FILING DATES?:

Students who file the application on or by the priority filing date of midnight on May 9, 2020 will be considered first. Applications filed after that date will be considered secondly, until funds have been depleted. Please be thoughtful when considering the amount you need in the emergency funds application.
