

Student Request for Medical Exemption from COVID-19 Vaccination Form

Name: _____
Student ID: _____ College Email: _____ Phone: _____

Maine Community College System policy requires that all students provide proof of a COVID-19 vaccination before attending in-person classes or residing in campus housing, as communicated via this web page: <https://www.mccs.me.edu/covid-19/vaccine-protocol/>. A medical exemption from this requirement may be requested by submitting medical documentation signed and certified by a licensed physician, nurse practitioner or physician assistant, who is not related to and is otherwise independent from the student, and whose practice area is appropriate to the medical condition or documented disability for which the exemption is requested. Students seeking an exemption may not attend in-person classes or move into campus housing until the exemption is approved.

Any student granted an exemption will be required to take weekly COVID tests and provide the test results to a designated college official. Individuals with an approved exemption may also be required to take other preventive requirements as specified in the exemption approval, and as may be outlined by later notification and/or posting of requirements on the MCCS/YCCC COVID information website.

In the event of a COVID outbreak on or near campus, individuals holding exemptions may be subject to additional restrictions, up to and including physical exclusion from campus facilities and in-person programs, until the outbreak is declared to be over.

The Office of Disability Services will review all exemption requests. After a request has been reviewed and processed, students will be notified via their college email address of the decision on their request. Exemptions approved for temporary medical conditions will expire when the medical condition(s) contraindicating vaccination changes in a manner which permits vaccination.

Decisions on medical exemptions from the COVID-19 vaccination may be appealed in accordance with the college's appeal process for disability accommodations. To submit an appeal, please contact tcornell@yccc.edu. In addition, students may reapply if new documentation and information supporting the request becomes available.
