## **DIGITAL MEDIA**

### **GRAPHIC DESIGN OPTION**

#### ASSOCIATE IN APPLIED SCIENCE

##### **Program Description**

The Associate of Applied Science - Graphic Design Option prepares individuals to apply technical knowledge and skills to the layout and design of electronic graphic and textual products. Students use computer applications and related visual techniques to manipulate images and information originating as artwork, digital photography, and digital copy in order to communicate messages simulating real-world Graphic Design. The program includes instruction in specialized computer software and applications to specific commercial, industrial, and entertainment needs of design. Students gain knowledge and develop skills to work in the areas of Graphic Design including web, print media, illustration, and managing resources for final outsourcing.

##### **Program Learning Outcomes**

Successful graduates will be able to:

- Demonstrate technical skills in traditional and digital media, applying principles of design to their work.
- Demonstrate broad knowledge of software applications related to digital media.
- Develop web pages, print layouts, and animations that display both technical knowledge and design principles.
- Communicate effectively with clients, advertisers, art directors, designers and producers.
- Work effectively as a part of a team, acting responsibly and respectfully to complete various design projects.
- Research design trends to choose appropriate fonts, imagery, and colors for an array of design projects.
- Analyze multicultural influences on design trends.
- Apply appropriate design ratio and scale between imagery and message.
- Complete a portfolio of finished work that displays unity of design and design fundamentals.

##### **Career Opportunities**

Industries that hire graduates of the Graphic Design Option in Digital Media includes, but is not limited to: Internet mobile/wireless, online marketing, web design/development, and traditional print. Potential jobs in those industries include: Production Designer, Graphic Designer, Illustrator, Digital Photo Editor, Desktop Publisher, Graphic Artist, Web Designer, Production Web Designer, Multimedia Designer, Interactive Media Designer, Digital Graphics.
