The Family Educational Rights and Privacy Act (FERPA) provides students with certain rights regarding their education records. York County Community College complies with FERPA. The College policy can be found at https://my.yccc.edu/ICS/Campus_Services/Student_Affairs/Student_Handbook_Policies.

Without your consent or a FERPA exception, York County Community College does not disclose or provide certain information from your student records to a third party, such as information on class schedule, grades, student accounts, financial aid, discipline records, or official transcripts. This restriction applies, but is not limited to: your parents/legal guardian, your spouse, or your prospective employer.

You may grant the College permission to disclose different types of student record information to a designated third party by submitting a completed FERPA Student Consent to Release Education Records form. Your records will be made available to the authorized third party for as long as the release is valid. The College does not automatically send/provide information to a third-party; you or the party must request that the information be provided.

If you would like to allow the College to disclose information from your student records to a designated third party, complete and submit the form to the Office of the Records & Registration, located at 112 College Drive, Wells, Maine 04090. **You must complete more than one form if you have more than one person with whom the College may share information from your records.**

If you cannot submit the form in person, you can submit it electronically from your college email account to EnrollmentServices@yccc.edu. **You must include a copy of a signed photo ID other than your college ID along with the completed form.**
