

# PROGRAMS OF **study**

## **LIBERAL STUDIES**

### **ASSOCIATE IN ARTS**

#### **Program Description**

The Liberal Studies program is designed for students interested in pursuing an academic program focused on liberal studies and which will transfer to a four-year university. Program requirements derive from the Maine Community College System-University of Maine System Block Transfer, but also generally transfer to public and private colleges within and outside of Maine.

#### **Program Learning Outcomes**

Upon successful completion of this program, graduates will be able to:

- Communicate effectively and ethically in writing and speaking.
- Use fundamental concepts of mathematics to solve problems and interpret quantitative data.
- Apply the scientific method by observing phenomena, developing hypotheses, implementing experiments, and evaluating results.
- Analyze and use information resources in an ethical manner.
- Interpret and evaluate meaning from aesthetic, philosophical, ethical, literary and/or multidisciplinary perspectives.
- Demonstrate global awareness and knowledge of diverse ethnic, racial and religious backgrounds, cultures, and orientations.
- Analyze factors, including culture, that shape behavior and social structures.
- Use ethical concepts to evaluate issues and make ethical decisions.
- Analyze and evaluate artistic and creative forms of expression.
- Demonstrate competence in using technology as a tool in communication, research, and quantitative analysis.

<b>Second Year, Spring Semester (15 credits)</b>			
General Education Core II Humanities	3		
General Education Core I-IV or Open Electives**	12		

\*University math requirements vary widely. Incoming students should plan on taking MATH 122 or MAT 127 and consult with their advisor and/or transfer counselors as to which sequence of math courses transfers most effectively into a particular course of study.

\*\* Up to 12 credits can be selected from courses outside of the General Education core.

Students should work closely with their advisor to select courses that will transfer.

*Articulation agreements exist between York County Community College and various colleges and universities.  
Please, contact Career and Transfer Services for information regarding these agreements.*
