

PROGRAMS OF study

WEB DEVELOPMENT CERTIFICATE

Program Description

The Web Development Certificate Program enables students to develop an understanding of the fundamental concepts involved in creating effective web sites. The focus of this program is on the importance of both technical knowledge and hands-on experience. This program is designed to help students develop the skills they need to meet today’s demand for web development professionals. The curriculum also is designed to develop critical thinking skills and enable a student to be ready for today’s jobs and the ability to thrive in the ever-changing IT landscape.

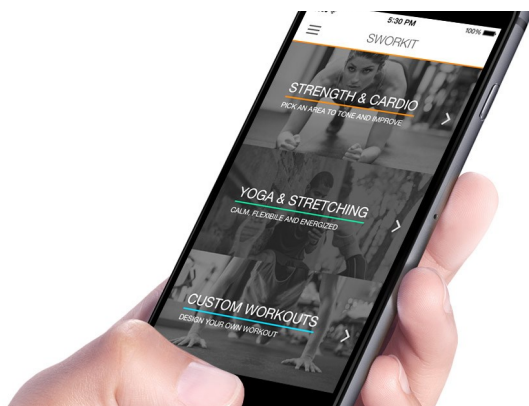

Web Development Certificate – program sequencing

Intended for part-time study

The sequencing of courses in this program begins in the fall semester.

Students entering in the spring or summer will likely take longer than two years to complete the program.
