We are hiring Part-time and Full-time Behavioral Health Professionals!

PORTLAND-LEWISTON-AUGUSTA-BIDDEFORD

\$20 per hour, mileage reimbursement and paid training!

Gateway Community Services is now hiring part-time Behavioral Health Professionals!

Do you have a great personality with a passion for improving the lives of others? Do you desire to work for a company with great values and a friendly, caring team environment?

Here at Gateway Community Services, we offer very competitive pay and great benefits because we know that happy staff leads to a better, more engaging client experience. Our success as an agency is wholly dependent on the quality of our staff! In this role, you will engage in activities guided by the client service plan. The successful candidate for this position must be at least 18 years of age, possess a high school diploma or GED, reliable insured vehicle, and is authorized to work in the US and will maintain any certifications as required by state regulations.

A Behavioral Health Professional (BHP) works one on one with children with developmental disabilities or skill deficits in both their home and community environments. BHP's implement specific treatment plan goals and assist their clients with increasing their communication skills, social skills, and daily living skills. Come work in a fun, flexible and rewarding environment to help others succeed!
