Dear Prospective Interns,

On behalf of the Nonantum Resort, I invite you to explore our Paid Internship for 2022. The Nonantum Resort is committed to supporting the future of the Hospitality Industry, and in particular, the professionals that will become our business leaders of tomorrow. By providing hands-on, practical, cross-departmental experience, our internship is one that you'll not only enjoy, but will also aid in your success over the length of your career.

Why Choose the Nonantum Resort's Internship Program?

There are many reasons why you may be considering an internship program this year. We want you to consider *our* internship program as a step above the rest - not just "another internship". Aside from fulfilling a requirement from your school, you'll also be working in a beautiful setting in Kennebunkport for a prestigious, well-respected, and awarded resort. Because of our multi-departmental program, you will walk away with a wealth of knowledge in transferrable job skills, people skills, and a dynamic list of experiences to add to your resume. Simply put, this will up-level the trajectory of your career - all while having fun and getting paid!

Here's what past interns are saying about the program:

- "The more people I interact with, the more comfortable and confident I get. [This] builds communication skills that increase productivity within the workplace." -*Ackeel, 2021 intern*
- "My internship has led me to the career of my dreams! I am now an Event Coordinator for the Nonantum Resort and am so happy that I got the opportunity to begin my journey through their internship program" -*Briana, 2018 intern, current employee*

***With great enthusiasm, I look forward to the opportunity to work together this season.
Please feel free to reach out to me directly with any questions.***

Sincerely,

Don Golini
