

# Gateway Community Services

**We are hiring Part-time and Full-time Personal Support Specialists!**

**PORTLAND-LEWISTON-AUGUSTA-BIDDEFORD**

**And Surrounding Areas**

A Personal Support Specialist (PSS) provides support for clients on tasks of daily life, to help clients live independently and with dignity. These tasks can include cooking, light housekeeping, hygiene, grocery shopping, and other aspects of independent living. PSS staff are compassionate and consistent in their work, and can have a single client or several clients, depending on staff preferences. Schedules are flexible, and afternoon hours are available. Evening and weekend hours are available, though they are not required. At Gateway Community Services, we offer competitive pay, paid training, paid Supervision and meetings, and paid mileage - we know that happy and fulfilled staff create better and more engaging client experiences. Our success as an agency is wholly dependent on the quality of our staff. In this role, you will engage in activities guided by the client service plan.
