

We are looking to hire two new positions, shared **Living Coordinator and Adult Case Manager**. Both positions start at **around \$20.00+/hr** based on experience. Both require ability to travel and work independently.

Office is based in Sanford but there is the ability to work remotely and come to the office once a week- once trained. We cover York, Cumberland, and Androscoggin counties so caseloads can be worked out based on location. We are willing to hire more than one case manager and I am looking for one coordinator.

Let me know if you have any questions. My cell phone number (207) 838-2321

Thank you
