

Operations Technician

WGME CBS 13 / WPFO FOX 23

~~ \$250 Referral Fee ~~

WGME CBS13 / WPFO FOX 23, in Portland, Maine, is a trusted brand providing Maine viewers with local news, weather, sports, entertainment, and social media content. We hire talented people who wish to excel in the television and digital content industry. You will have the opportunity to work with a team filled with spirit, passion and imagination. We have an exciting opportunity for a FT hands-on Operations Technician that will serve in any of the broadcast operations positions as assigned as part of a team to ensure programming airs correctly with the highest technical quality possible. This will include master controls, audio, spot server, floor directing, studio camera and lighting and other duties as assigned.

Responsibilities:

- Studio and set preparation
- Lighting
- Operating robotic cameras
- Audio console and technical directing
- Follow checklists relating to live events as instructed
- Meet daily deadlines in a high energy paced working environment
- Other duties and responsibilities as assigned

Requirements:

- Be extremely dependable
- Knowledgeable with computer software
- Have excellent interpersonal and organizational skills
- Ability to multi-task and communicate within a fast paced environment
- Function effectively under pressure and deadlines.
- Must have valid driver's license with clean record
- This position reports to Engineering Director
- Must be willing to work flexible schedule that will include evenings, weekends and holidays

Applicants must apply on line to be considered. You can apply at www.sbgi.net or www.wgme.com. No phone calls or emails please.
